

Dear Sir or Madam,

The United Commercial Travelers (formerly Associated Canadian Travelers) is an international service club that has operated in Cranbrook since 1954. You know us as the cavemen in the Sam Steele parade. Our mandate has been to financially assist organizations that help young, handicapped and older residents of Cranbrook, Kimberly and Creston. We tend to lean towards those groups who are a little out of the public eye like Judo clubs, rugby, badminton, archery, senior games, special Olympics and a senior slo-pitch team. Among other recipients are school breakfast programs, food banks and Cresteramics.

In May 2017 our club is hosting a Western Canadian Regional Conference which will attract approximately seventy-five members and delegates from Ottawa to Kelowna to our city. The theme we have chosen is LUCKY TO BE HERE which describes Cranbrook very well.

The club would like to greet arrivals with a welcome to Cranbrook goodie bag. There will also be a fun best ball golf tournament for about fifty golfers.

We are asking local businesses for help with donations of either prizes or money to make this project a success. Anything your business can do will be acknowledged in our local paper.

Thank-you for your consideration.

*Doreen Keith*
